

INSTRUCTIONS FOR HOMEOWNERS'
'DIY' DO IT YOURSELF LANDSCAPE PACKAGES

What we need from you:

- Name _____
- Address _____
- Phone Number _____
- E-Mail Address _____

1. Digital Pictures Files - Take multiple pictures from different angles of the area
2. Measurements of the Area (Total Length & Width of the Beds)
3. Window Measurements (Width of each, Height of Windows from the Ground)
4. Measurements between Windows / from Windows to the End of the House
5. Preferences: Any Colors / Texture / or Shapes you would like to include or avoid
6. Specific Plants you know you either do or do not want to include
7. Animal Threats? (Deer / Rabbits)
8. Exposure – in which direction is the house or are facing?
9. Estimated Budget (if necessary)

Please provide the information requested above & expand on each of these points as necessary. Rough hand drawn schematics for bed area will be sufficient.

Thank you,

Sean Stotz
